**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used a local internet provider since renting my first apartment in college. We tried accounts with large providers, but they were unreliable and unresponsive. My experience with the local company LMI in Berkeley stands out in contrast to my struggles with the large internet providers: a real person on the phone when you have questions or need help. Friendly and knowledgeable technicians at your door in 24 hours with a simple phone call. Please ensure that companies like LMI can continue to serve our needs!
